

**British Dental Association Benevolent Fund**

**ANNUAL GENERAL MEETING**

5.30pm on Thursday 27 June 2024  
 Held remotely via Zoom

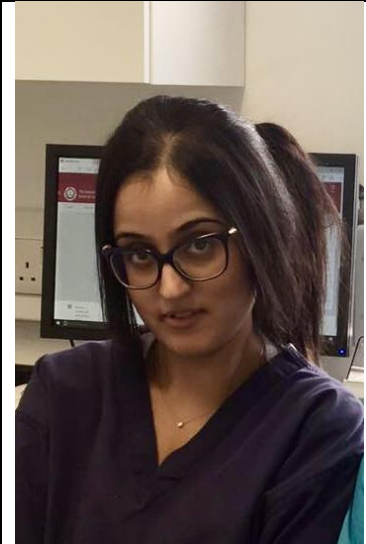

Current co-opted Board member standing for election as Trustee

A black and white portrait of a woman with shoulder-length blonde hair, smiling. She is wearing a dark vest over a light-colored top.	<p>General Practice principal with a long interest in vocational training. Past LDC Chair and current West of Scotland BDA branch Chair. A career change to group clinical director for a large Scottish corporate provided board experience with responsibilities for clinical compliance, recruitment, performance, CPD and managing pastoral support for the clinicians.</p>
<p>Dr Jacqui Frederick</p>	

Candidates who are standing for election for the three Trustee vacancies

A color portrait of a young woman with long dark hair, wearing light blue scrubs.	<p>After my dad passed away during dental school, I realised the importance of support and community for dental professionals. I'd like to work with the BDA Benevolent Fund to continue and promote the amazing work they do to help dentists and dental students feel supported and empowered in their career.</p>
<p>Ms Hira Chaudhry</p>	
A color portrait of a middle-aged man with glasses, wearing a light-colored shirt.	<p>This would be my first role as a Trustee for a national charity. I have been involved in charitable work as a volunteer locally, and in groups raising funds for local charities. I chaired such a committee in the 1990s of young professional people, raising funds by creating large events, in partnership with the BBC at that time.</p>
<p>Dr Tony Jacobs</p>	

 A portrait of Sara Misra, a woman with dark hair and glasses, wearing a dark blue top. She is looking slightly to the left of the camera.	<p>I realise there are multiple and endless stresses dental professionals face. Being a mother, a female and of ethnicity, I understand such specific challenges and alongside my range of working backgrounds, I wish to be elected so that I can facilitate and guide others to promote our profession's well-being.</p>
 A portrait of Dr Henrik Overgaard-Nielsen, a man with grey hair and a beard, wearing a dark suit jacket over a pink shirt.	<p>I have worked as a union rep, NHS dentist, practice owner and Federation leader over 40 years. My skills are representation, negotiation, financial and strategic. I hope to use that experience to help dentists who are vulnerable and need support. I can dedicate time and energy to the charity's goals.</p>
 A portrait of Dr John Ulahannan, a man with dark hair, wearing a white button-down shirt.	<p>Being a Trustee offers me the chance to contribute directly to its central aim of supporting colleagues in need. I believe my dental experience of over 20 years combined with my co-authorship of the history of the Charity on its 140th anniversary gives me the necessary experience for this role.</p>

Sara Misra

Dr Henrik Overgaard-Nielsen

Dr John Ulahannan
